

SE 101 Quiz/Assignment 6

Due: Friday, November 23, 2018 at 11:59PM

Please submit one write-up per group. Groups can include at most 6 people. Write the names and WatIDs of your group members at the top of your submission file.

Submission: your submission must be a plain-text file. It must be named watid-quiz6.txt, where watid is that of one of the group members. Non-adherence earns an immediate 0. Submit to the quiz6 subdirectory of the quests repository.

Please write one paragraph for each of these questions (or two, if you really must). Cite any relevant sources (just list the URLs). Question 2 and 4 should have at least one source each

Question 1: How can Facebook affect behaviour?

Question 2: How do we know that Facebook affects behaviour?

Question 3 (2 points): Summarize your group discussion about a hypothetical change to the Facebook newsfeed algorithm and its economic, social and technological implications.

Question 4: Describe one direct, concrete harm to a specific person that Facebook has facilitated. Suggest a way that Facebook could mitigate the harm.
