

SE 101 In-Class Quiz 1

September 14, 2018

This quiz is open-book. In fact you can even (quietly) talk to your neighbour about it.

Question 1: The syllabus refers to "the best way to pull course updates". If you go there, you can find a writeup about SE student coop applications in Spring 2018. How much time did most SE21 students spend applying for coop jobs at peak?

Question 2: What is one person/resource where you can get help?

Question 3: Describe the best practice for avoiding plagiarism when looking at others' code.

Question 4: When and where is today's SE Soc mixer?

Question 5: What is the default form of address for an instructor at a university?
